

Charles Christopher White Jr.

age: 20

residence: South Carolina

education: Pursuing a bachelor in Liberal Arts

occupation: Full time student

marital status: Desperate

I wish I wasn't so broke all the time. My parents disowned me as soon as I turned 18 for being a furry, so paying for college is hard. Paying for an iClicker or Top Hat certainly doesn't help.

I spend most of my day laying on the floor contemplating the endless void I live in and the meaninglessness of my existence.

Needs

- Sleep
- Food
- Money

Values

- Cat Girls
- His highly prestigious discord moderator position
- Sleep
- Dino nuggets

Criteria For Success:

If everyone likes me, I feel like im valued in society. Unfortunately that doesn't happen too often. I also feel more successful when I'm on top of my work enough that my terrible study and life habits don't catch up to me.

Wants

- Cat girl gf
- more money
- friends
- anyone please

Fears

- cats
- people
- unpacking his extensive religious trauma
- showers
- deoderant
